## ANOTHER SHIPPER IS LISTED AT SODAVILLE

Anthony Elfrer, who is operating a gold-silver property a few miles east of Sodaville, was in Mina this week, says the Western Nevada Miner. He reports the snow getting off and mining becoming easier. He has opened up a splendid vein, and the ore, the values of which run in gold and silver, return average assay values of better than \$124 per ton. Quite a quantity of ore has been sacked and

## FOREST LOVELOCK IS TENDERED A PARTY

HIS BIRTHDAY MADE THE OCCASION OF A SOCIAL FUNCTION

The Yeomen gave a surprise birthday party several evenings ago to their foreman, Forest Lovelock. Progressive whist was played. The tally cards were most beautifully decorated in March violets and purple ribbon. The fortunate winners were awarded prizes: first, Mrs. Mary Connors and Arthur Hunt; second, Miss Vena Fraser and Fred Knock; consolation, Miss Laura Farr and James Lytle. Delicious refreshment were served. The table was most beautifully decorated in violets and purple, in the center of it stood a large birthday board decorated in violets and ferns and the correct number of violet colored candles and a most delicious birthday cake was in the center. The members of the Yeomen presented Mr. Lovelock with a bunch of violets to be worn that evening and to his great surprise upon opening them he found a beautiful lodge pin enclosed. Those present were Messrs. and Mesdames P. L. Stratton, F. A. Knock, Arthur Hunt, Augusta Wenzel; Messdames Amy Fraser, Harry Gregg, Nellie Brooks, May Connors, Mary Burke; Misses Vena Fraser, Laura Parr; Messrs. Walter Fraser, James Lytle, Dr. Cox and Forest Lovelock. At a late hour all departed wishing that Mr. Lovelock's birthdays would come more often.

## MURRAY CONVICTED AND GIVEN SENTENCE

APPEAL TAKEN AFTER JUSTICE DUNSEATH RENDERS JUDGMENT IN CASE

The jury in the township court at 9:20 Saturday night returned a verdict of guilty in the case of State versus John Murray, charged with "taking money from miners to keep them on their job." The jury took a ballot immediately upon retiring, and without any discussion of the case. The result was eight for conviction and four for acquittal. The case was then discussed and five more ballots were taken. One by one those holding out for acquittal changed their vote until the decision was unanimous. This morning at 9 o'clock the defendant appeared in court and was sentenced by Justice Dunseath to six months' imprisonment in the county jail and was fined \$300. Notice was given that an appeal to the district court would be taken and the defendant was given his liberty under \$500 bonds, the same bondsmen as before qualifying for him.

## YERINGTON MT. C. CO. OFFICIAL CHANGES

NEW PRESIDENT AND SHAREHOLDER PLEASED WITH APPEARANCE

The Yerington Mountain Copper company, which has its principal place of business in Tonopah and its mining property in the Mason Valley district, at a recent meeting accepted the resignation of E. J. Haug as director of the company and appointed Frank K. Pittman in his stead. The resignation of John G. Kirchen as president of the company was also accepted, but he will continue as a director and will be consulting engineer for the company. Mr. Pittman and E. H. McMurray, the latter a considerable shareholder in the company, returned yesterday from an inspection of the property. They express themselves as greatly pleased with its physical condition.

## CASH BOY COMPANY WILL SHIP THURSDAY

NEW VEIN DISCOVERED THAT GIVES SHIPPING VALUES ACROSS EIGHTEEN INCHES

E. H. Meade, general manager of the Cash Boy Consolidated Mining company, arrived this morning from San Francisco, where he was called on business for the company. He states that the company will make a shipment of fifty tons of ore Thursday. It will run from \$15 to \$20 a ton. Mr. Meade says that the vein, from which this ore was taken, on the 1480 level, which corresponds with the 1540 of the level, is now strong and in place. The mine is looking better than ever before. On the 1280 level an entirely new vein has been found. It is eighteen inches wide and samples at the point of contact \$40 a ton.

M. E. ENOS, of Enos-Brown company of Sacramento, is spending a few days in Tonopah.

is now being hauled to Sodaville for shipment to the smelter.

## VICTORY PERCHES ON TONOPAH'S BANNERS

HIGH SCHOOL DEFEATS LOVELOCK BY CLOSEST POSSIBLE SCORE

(Special to the Bonanza.)

RENO, Mar. 13. — Before a crowd that well nigh filled the huge gymnasium at the University of Nevada, the girls' basketball team of Tonopah high school last night staged the prettiest bit of real basketball ever seen on a local court. From an absolute handicap of seven points, at the end of the first half of a close, fast game with Lovelock, the girls made themselves victors with the score thirteen to twelve.

The first period proved a puzzler for Tonopah. The floor was very slippery and the court much larger than that in the high school. As a result many technical fouls were registered, on each side. Of the great number allowed Lovelock threw six, while Tonopah could only find the ring once. Besides the connected fouls, Lovelock scored one field goal.

It was during the second half that Tonopah demonstrated her mastery of the game, and the excellent result of Mr. Cross' training. Gertrude Ripplingham, her teeth set tight, got the signalled plays away nearly every time the ball went up at center, and during the period Ella Perry was able to make five field goals. These are the real indicators of good team work and good playing. Through the vigilant guard that Fanny Holmes and Lavina Shields kept on the point getting end of Lovelock's team, she could score but one field goal again, and two free throws apiece rounded out the score. May Kimball's play was marked by absolute accuracy as was also that of Helen Mitchell.

When the whistle announcing time up was blown at the end of the second half the score was very much in doubt. No one except the official score keeper, seemed to know which side had won, although all realized that one point would decide the game. When Prof. Haseman, who has charge of the tournament, announced the result, the old gymnasium rang with applause at the popular outcome.

The game between Elko and Reno was not so close. Reno won with the score at fourteen to eight, and thereby qualified to play Tonopah for the state championship on Monday evening. This game will be an exciting one, and already much interest in it is evident.

A feature of the evening was the wholeheartedness of Tonopah's rooting section. A place was reserved for those who were with the local girls, and that place was more than filled. Local Tonopah boys in and about Reno, with all university boys present, and those who came from Tonopah gave brave encouragement to the team. The girls earned and received the support of all present, for their wonderful comeback.

## SUNDAY SERVICES AT PRESBYTERIAN CHURCH

LIVINGSTON AND HIS WORK IN AFRICA NEXT SUNDAY'S THEME

(Communicated.)

The Sunday school is still growing. We expect to reach the one hundred and fifty mark by next Sunday. The school is now being graded according to age.

It is with great regret we accept the resignation of C. C. Book as director of the choir. He has been most faithful and efficient. The morning sermon was from the text, "And he went not that the Lord was departed from him," referring to Samson and the loss of his strength through disobedience.

The Christian Endeavor meeting was led by Miss Mary Nichols. There was a good attendance and an interesting meeting.

The evening sermon was on the subject, "Two kinds of haste." One kind resulting in expeditious work; the other in waste of strength and time.

Miss Laura Farrella sang a solo, "Rest in the Lord," which was the special feature of the music.

Next Sunday evening is to be devoted mostly to Livingston and his work in Africa. One special feature will be a reading by Mrs. Bayless on the subject.

No choir director has yet been secured, but choir practice will be held Thursday evening as usual and we hope to secure a director before that time.

## MR. LYNCH ENGAGED IN HIS NEW DUTIES

TONOPAH WILL BE MAIN OFFICE IN WORK OF COLLECTING REVENUES

Thomas J. Lynch, the newly appointed deputy United States internal revenue collector, returned this morning from San Francisco, where he has been engaged since February 21, when he took office, getting a line on his duties and receiving instructions from Collector J. J. Scott in the onerous duties of his office, made doubly heavy by the new requirements of the income tax law.

Mr. Lynch will establish an office in Tonopah, but he will be away about half of each month, as he has a large territory to cover, including Lyon, Mineral, Nye, Esmeralda, Clark and Lincoln counties in Nevada and Mono and Alpine counties in California.

M. GLOAGANZ, wife and four children left Sunday for Oakland, where they will make their future home.

## MISS TOGNOINI TO BE C. V. AVERILL'S BRIDE

ANNOUNCEMENT IS MADE OF ENGAGEMENT OF TWO POPULAR YOUNG PEOPLE

Mr. and Mrs. J. C. Tognoni of Duckwater announce the engagement of their daughter, Elva May, to Charles Volney Averill, son of Judge Mark R. Averill of Tonopah.

The young lady was graduated from the Sacred Heart convent at Ogden last June and since then has been enjoying a graduation trip given her by her parents. She is a talented and strikingly handsome young woman, who has many friends in Tonopah.

Mr. Averill completed the mining engineer's course several years ago at the University of California, and since that time had made his home in Tonopah, where he is engaged in the practice of his profession.

## MANHATTAN DEFEATS TONOPAH 44 TO 19

HIGH SCHOOL BOY DESCRIBES GAME IN THE PINE TREE CAMP

The score might look big in the eyes of the people who read the paper, but if you had seen the court you might have thought different. Tonopah was handicapped owing to the small court and low ceiling. The boys could not display their team work on account of such a small court. At times the boys got started on a rally of baskets, but were checked by the lanky Manhattaners who could almost reach the ceiling. Chas. Blake, for Manhattan, proved to be the star point maker, while Pollard, O'Connell and Gilbert proved to be the point makers for Tonopah and were always in the game.

After the game a dance was given in the Woman's club. The floor was small, but oh what a time they had! About midnight refreshments were served and dancing continued until two o'clock in the morning. The boys were taken to each one of the players' homes and shown a great time. Tonopah left Sunday afternoon and had the misfortune of getting in the river coming down from the mountains, and had to get out and swim; some class, eh?

## SILVER SERVICE OF BATTLESHIP ARRIVES

WILL BE ON EXHIBITION IN MIZPAH AT DEPOT THIS EVENING AND TUESDAY

The magnificent silver service to be donated to the super-dreadnaught Nevada by the people of the State of Nevada, the bullion for which was presented by the mining companies of Tonopah, arrived today on train 24 in the private car Mizpah, the use of which for transportation throughout the state was kindly donated by Superintendent Foster of the Tonopah and Goldfield railroad.

Accompanying the exhibit are Special Agent Reimer of the T. & G. and Will Epstine of Carson City, through whose jewelry firm the service was ordered. The service is now on exhibition. The arrangement is such that people may enter the car at the rear platform, spend a reasonable time inspecting the plate and then pass out the forward door, thus avoiding confusion and crowding. Spectators are requested not to handle the service.

Data regarding the beautiful set will be given by Mr. Epstine and Mr. Reimer. The car will remain open until 8 o'clock this evening and all day tomorrow, leaving Wednesday morning for Goldfield.

Words cannot adequately describe the beauty and richness of the plate. It is massive, artistic in design and shining with the gold from the Consolidated Mines company of Goldfield. The engraving and chasing are works of highest artistic art.

## NAME CONVENTION DATE

(By Associated Press.)

BOISE, Ida., Mar. 13.—The Republican state committee met here today and decided to hold their convention to select delegates to the Chicago convention at Twin Falls, Idaho, April 20.

If you want the telegraph and local news—try the Bonanza.
